AGILE LEADERSHIP TEAM

AGILE VALUES

1. Individuals and interactions over processes and tools
2. Working products over comprehensive documentation
3. Collaboration with customers over contract negotiations
4. React to changes over just following instructions

TOP MANAGEMENT TEAM

Exemplify values
 Give meaning
 Appreciate value

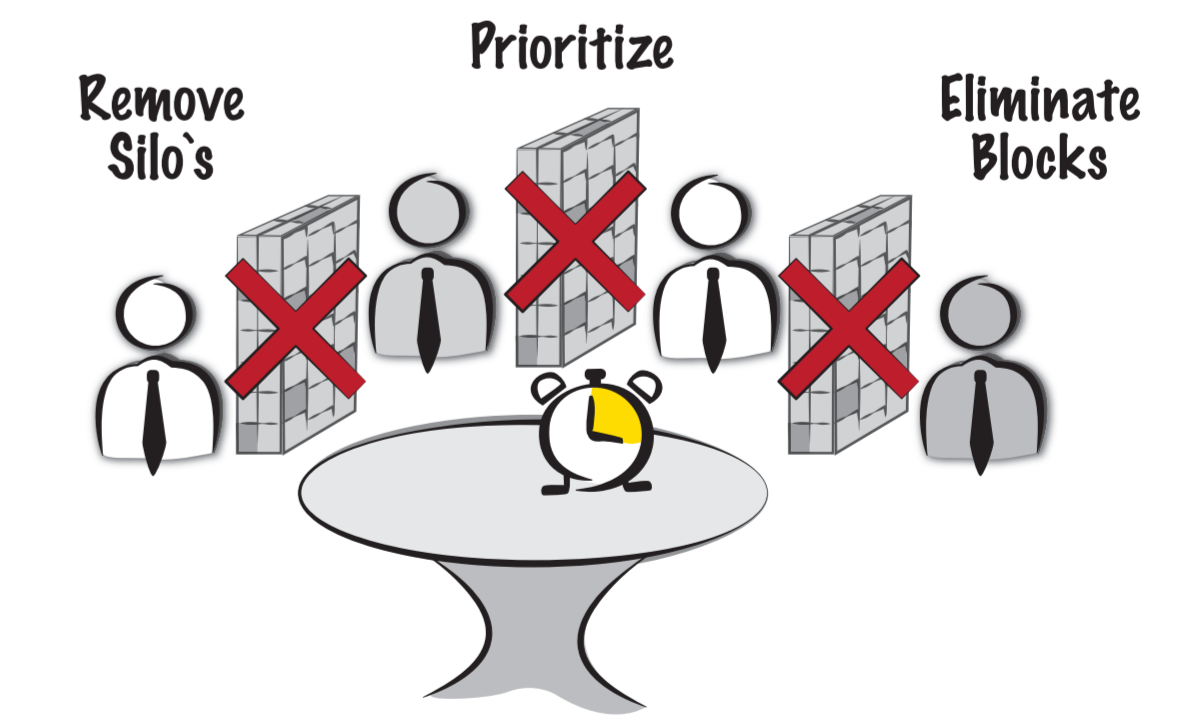

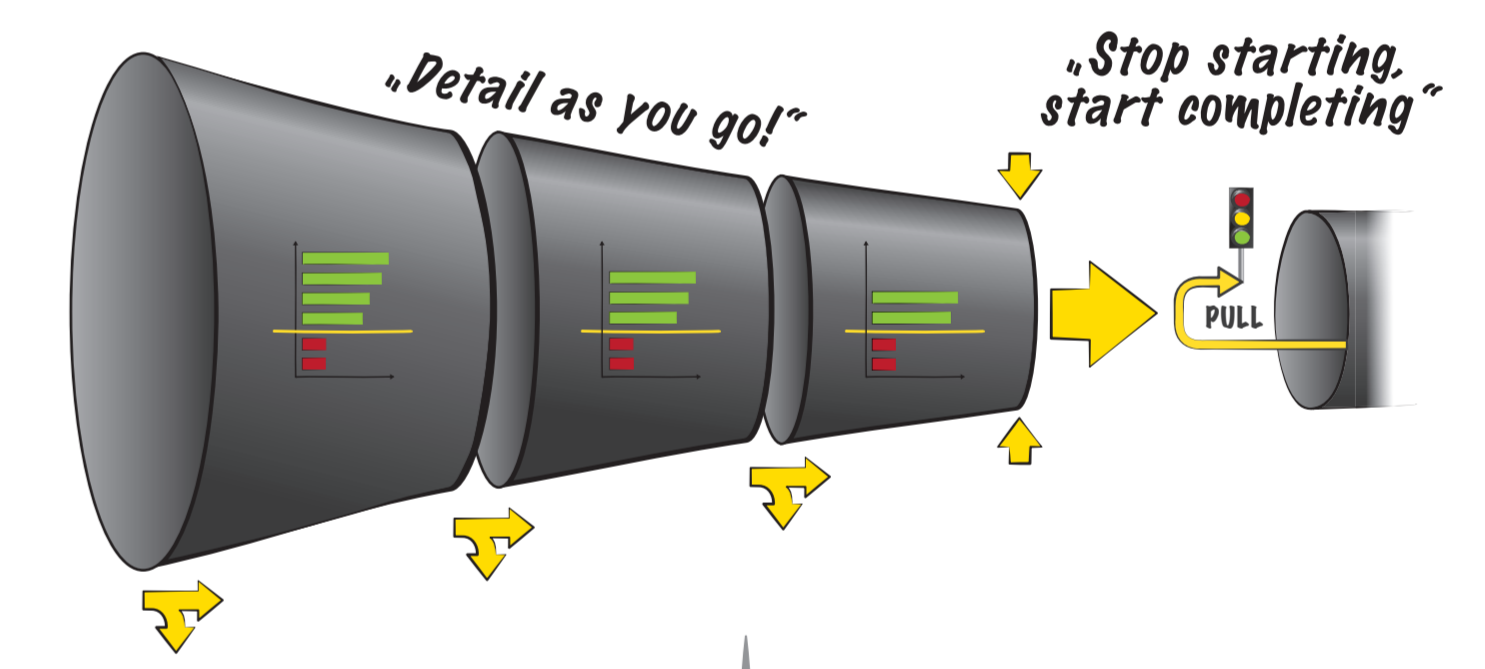

AGILE PRINCIPLES

- Working in cycles
- Transparency
- Self-organization
- Pull principle
- Flow over load
- Commitment
- Decision on lowest possible level
